Report of the Jury (April 25, 1992)

Considering the influence that the theoretical and experimental research of the candidate reached as for the role of the cognitive repertory and motivationnel of the subject in the psychological processes of the training and visual perception;

considering the fact that during one long period, the candidate directed a large laboratory of cognitive psychology on a scientific level enjoying a high international reputation and that a great number of young researchers were inspired by there, on the ground of cognitive psychology and the related disciplines;

propose at the Board of directors of the Francqui Foundation to confer the Francqui Prize 1992 on Mr. Géry van OUTRYVE d'YDEWALLE, Professor at the Katholieke Universiteit Leuven
